Pastor Talent & Church Family:

First, my apologies for the tardiness of this prayer letter. I have had an intense schedule of revival and church meetings since my last letter and just simply haven't had time to catch up. The Lord has been good, allowing us to see a wonderful move of God in many of the services and a few saved.

I spent a week in Mexico with Missionary Ron Pittman in early April. Although the camp had a smaller attendance than in previous years, we were blessed with good services and many responses. Please pray for direction concerning our international camp ministry involvement.

Most of our time at present is being spent preparing for Camp, our MK program and our summer interns. These are very important parts of our ministry. The preparation takes a great deal of effort, time and expense. Please pray that these ministries will be fruitful and effective this summer.

I am enclosing a flyer for the PTM BASIC TRAINING YOUTH CAMP. Additional information and documents can be found at www.preachintime.com on the camp information page. Please be watching for information on the MK PROGRAM and the CAMP SPONSORSHIP program. I would appreciate it if you would pass that information along to your church families.

We had two churches and one individual respond to our special need, we received about \$900 of the \$3300 we need for our vehicle repairs. Please make this a matter of prayer.

Serving Because of Him!
