*Answering the call for Help from the Local Church,  
Missionaries & our Youth while serving in Mission Evangelism*

March 2008

Dear Friends & Supporters:

During March, I had the privilege of visiting three Western States over two weeks. The Lord granted us safety over almost 2000 miles (after flying to Billings, MT). I was able to preach for three missionaries: Bro. Nathan Saunders in Corvallis, MT; Bro. Joe Copley in Fort Hall, ID and Bro. Anthony Cole in Arapahoe, WY. I was also able to visit with Bro. Ronnie Henderson, Bro. Marc Ball and several other missionaries. We praise the Lord for a good productive trip. I will admit – I saw more snow in Idaho than I could possibly imagine. I drove over 60 miles with the snow fall exceeding 4 ft ... almost to the top of the fence along the road (not pushed off the highway, but full coverage). Here's some pictures:

(Left to Right: Nathan & Kelly Saunders in front of their church sign; Solid Rock Baptist in Corvallis, MT; Singing at Solid Rock Baptist; Snow on the side of the highway; Joe Copley at Faith Baptist in Ft. Hall, ID; Faith Baptist (the small building to the right – they need to tear down the grain elevator – could you help?); Mia Copley; Arapahoe Baptist, WY)

Please continue to pray for Melissa. As I write this letter, she has recently torn a disk in her back. She is under the care of a back specialist and going to therapy. The medications are aggravating other health concerns, which really lead to her overall health problems and decline. Thank you for praying for her.

I am enclosing some flyers announcing our God and Country Service and a camp work day. Please post these – thank you.

Serving Because of Him,

A handwritten signature in black ink that reads "Duane Moore".

Preachin' Time Ministries

*These are some special needs for equipment – perhaps you know someone who has some of these items and would like to donate them to the work of the LORD.*

- Dual Axle 16' enclosed trailer for hauling Revival Tent, Chairs and equipment. Would consider a box truck.
- 10 foot, grated open utility trailer, dual axle with ramp
- The Camp needs Freezer(s).. chest or upright, clean, running good
- We are preparing for some remodel projects at the camp: good lumber – especially studs, drywall, etc are greatly needed
- Large Solid wood gates with Large hinges or gate hardware for our trailer fence to protect our trailers
