*Answering the call for Help from the Local Church,
Missionaries & our Youth while serving in Mission Evangelism*

May, June & July 2008

Dear Friends and Supporters:

At last – Melissa and I have a moment to catch our breath and communicate with each of our supporters. The house seems relatively quiet. The Missionary Kids (MKs) have all gone home; the summer camp season has wrapped up and we have settled in to the routine of weekly revivals and meetings.

As you can imagine the past three months have been very busy. I'm still calculating the statistics – but here's a little information on what we've been involved with: We have held 5 weeks of youth and adult camps at Sand Mountain with about 400 in total attendance; I have preached two additional youth camps raising the total number of young people involved in PTM activity this summer to over 600. We also were able to take a small mission team to St. Lucia, WI and visit with Bro. Nathan Brock and his family. In late July, we returned to Buffalo, WY for the Perry Memorial Youth Camp and a visit with Missionary Ronnie Henderson in Pryor, MT as well. In addition, the Lord allowed me to preach 7 revivals and a host of Sunday services, youth rallies and other meetings around the camp schedule in May, June and July. One highlight was Friday night at Camp Canaan in Ringgold when 13 precious souls were saved in that one service. PTM also held their annual God and Country Rally at Bible Baptist in Rossville in late June. We had over 35 MK's participate in this year's MK PROGRAMS.

Melissa and I have some **Exciting Family News** to share with our Friends. ***We are expecting our First Child.*** Melissa is now about 14 weeks and she is due on **February 10, 2009**. So far, she's doing fine (maybe a little better than me at times)... please continue to pray for her health and a healthy baby. We know this is going to be a major change in our lives!

With the ever expanding ministry, family and cost of living, please pray that the Lord would meet the ever increasing financial needs. We remain at about 83% of our target support level. The deficit continues to create difficulties. The summer MK and Camp programs combined ran a direct deficit of over \$400 of unreimbursed expenses (from MK & Camp designated funds) with an additional \$2100-\$2500 of cost assumed from our personal resources. The LORD knows the need – would you ask HIM to help us with these. If you wish to help, mark you gift PTM CAMP DEFICIT.

On a closing note, we said farewell this summer to a true friend of this preacher and this ministry. I had the honor of preaching the funeral service for Bro. James Jackson, a long time supporter of PTM. He now rest from his labors after a painful battle with cancer.

We look forward to providing more details on the summer activities in our upcoming letter. **THANK YOU FOR STANDING WITH US IN THIS ENDEAVOR FOR THE LORD!**

Serving Because of Him,
