*Answering the call for Help from the Local Church,
Missionaries & our Youth while serving in Mission Evangelism*

December 2008

Dear Friends and Supporters:

By the time this letter reaches your hand, I will be somewhere very near the equator. I head for Panama, SA on November 29. I plan to be in the South American country for about 13 days. I will be visiting with and preaching for Missionary Franklin Booth. I look forward to spending some time with Bro. Franklin, Mrs. Brenda and their family. I will be preaching in several churches while in Panama. **WILL YOU PLEASE PAUSE FOR JUST A MINUTE AND PRAY THAT OUR TRIP WIL BE FRUITFUL!! THANK YOU.**

Here we are, almost Christmas time, as we wrap down another year. These past several months have been very challenging for missionaries, churches and families both here in the states and abroad. The continued trouble in the economic markets produces ripple effects through all of our finances. Melissa and I are grateful that our support has held steady. A few churches have been a little erratic or slow, but the support has been coming in faithfully. We remain about 80% of our needed support level – this deficit effects us the most during times when I'm traveling to the mission field or busy with the camp. Our love offerings have suffered; overall, they are down about 35% I would estimate. Please make your missionary's finances a matter of fervent prayer.

Melissa and I are busy making preparations for the arrival of WILL in February. Trying to rearrange the house and our schedules too – this has been a real challenge. We are both excited and anxious about the new addition to our family. Please remember us in your prayers.

When I return from Panama, I will be preaching in the two day Holiday Jubilee (12/12-13) at Pleasant Grove Baptist Church in Trenton, GA; Sunday Morning Service 12/14 at New Prospect Baptist, Revival 12/15-19 at Calvary Baptist in Riceville, TN, Sunday 12/28 at New Friendship Baptist in Ringgold, GA and watchnight service at Hillcrest Baptist in Ooltewah, TN. I am thankful for these December meetings. Don't forget, Winter Camp starts 12/29 and runs through 1/2/09. You can download an application at www.preachintime.com.

I have a specific prayer request to close with. **PLEASE pray for our vehicles.** I was thinking recently that the two vehicles I use for the ministry are aging quickly (the Suburban has 215k and the Camry over 360k miles). With our finances being so tight, the arrival of a new baby and lower offerings, I just don't think we'll be able to afford a new vehicle in the next year. PLEASE PRAY that we can get an additional 50-60k miles out of them combined without major mechanical work (or that the Lord would provide a replacement vehicle). Right now the Suburban needs about \$600 in repairs (brakes, seals and a power steering pump) and the Camry will soon need some major internal work. Again, your prayers are appreciated.

Thank you for your faithful support and prayers that Keep us Pressing on For the Cause of Christ!!

Please keep our work at Sand Mountain Bible Camp in your prayers. There is much to be done there and many special needs – but much potential. May God strengthen our hands and resolve.
