

April 2008

Dear Friends and Supporters:

Once again, all of us here at PTM are mindful of the great sacrifice that each of you makes that allows us to continue the ministry efforts of Preachin' Time Ministries. Just as our families struggle with higher gas cost and escalating travel cost and even higher cost associated with daily life – we understand that each of you are facing the same difficulties. Despite that, you continue to **give so we can go!** **THANK YOU FROM THE DEPTHS OF OUR HEARTS!**

The month of May will be a busy month of preparation for the camp seasons. All of our staff will spend many hours cleaning, repairing and preparing for camp. There's much to do. At the end of the month, Bro. Conner and I will be escorting a small mission group to the island of St. Lucia. Between now and then, I will be in 7 revivals or other meetings. Please remember this in your prayers.

Please take time to read the enclosed materials related to the 2008 MK PROGRAM. We are behind on our fund raising efforts. You'll also find the details on our upcoming Camp Work Weekend – we would love to see you there.

Thank you for praying for and supporting the families and projects of Preachin' Time Ministries!

In HIS service,

Bro. Duane Moore, Director
Preachin' Time Ministries

CAMP DATES:

June 16-20	Teen Week with Dr. James Jones
June 23-27	Junior Week (7-12) with Bro. Daryl Wade

(watch for applications at www.preachintime.com)

Please be sure to identify the purpose of your gift on each check. This will ensure that the PTM office is able to correctly apply your donation. THANK YOU

These are some special needs for equipment – perhaps you know someone who has some of these items and would like to donate them to the work of the LORD.

- Dual Axle 16' enclosed trailer for hauling Revival Tent, Chairs and equipment. Would consider a box truck.
- 10 foot, grated open utility trailer, dual axle with ramp
- The Camp needs Freezer(s).. chest or upright, clean, running good
- We are preparing for some remodel projects at the camp: good lumber – especially studs, drywall, etc are greatly needed
- Large Solid wood gates with Large hinges or gate hardware for our trailer fence to protect our trailers
