

September 2007

Dear Friends and Supporters:

Once again those of us in the PTM family are indebted to each of you – those who support individual team members monthly with support, those who support various mission projects and programs, those that support the PTM office and of course those that give special love offerings and other donations to this ministry – THANK YOU. We simply could not do what the LORD has commissioned us to do if it wasn't for you!

MOORE UPDATE:

Duane and Melissa are busy with a fall revival schedule that includes meetings in GA, TN, MS and NC. The schedule will remain full through the end of the year. Visit the website for an updated look. 2008 is just about full now, if you are interested in one of the few weeks remaining contact Bro. Moore at 770-530-7957

CONNER UPDATE:

PTM welcomes Paul and Angie Conner to the PTM family. Although they are still completing paperwork and other logistics, they are busy contacting their supporting churches. Consider having Bro. Conner at your church to share his burden for this ministry. You can contact him at 706-331-6041.

CHRISTMAS PACKAGES:

Bro. Conner is putting together a program to distribute evangelistic shoe box gifts through one of our western missionary contacts. Perhaps your church would like to get involved – contact him at the above number or connerpaul@earthlink.net. He can send you the information you will need.

In HIS service,

Bro. Duane Moore, Director
Preachin' Time Ministries

Important -- Church Accounting Note:

Some have inquired about sending Christmas Gifts for PTM missionaries. Any check received by the church clearly marked as a **Personal Gift for Christmas – MISSIONARY NAME** will be treated as a GIFT (The check CANNOT be marked Christmas *BONUS, EXTRA SUPPORT*, or in any other way indicating something other than a **PERSONAL GIFT**) – **NO RECEIPT WILL BE ISSUED** (an acknowledgement will be sent for accountability) and the gift amount will be passed on to the appropriate family without income consequence to them.

Its time to begin your year end tax planning, any donation **POSTMARKED** by **December 31, 2007** will receive a **2007 Tax Receipt**.
