

PTM
PREACHIN' TIME MINISTRIES

October 2008

Dear Friends and Supporters:

This picture was taken during a recent visit Bro. Paul and I made to the beautiful West Indies Island of St. Lucia. We were escorting a small group of teens to visit with the Brock family serving on the island. The shot was taken at a local restaurant. You can see they were displaying a number of local fruits and vegetables from the area. I was reminded so vividly of the 'ripe' harvest that is all around the world. While we are certainly facing economic difficulties here at home, the cry of souls is still being heard at home and abroad. We must reach them with the Gospel of Jesus Christ.

Thank you for standing with us here at PTM during these difficult times. May God Bless your sacrifice.

Praise the Lord for \$500 given this past month toward the camp deficit. We have received \$600 of the \$3000 deficit from the summer Camp and Missionary Kids programs. Please continue to pray about this special need. If you want to contribute, send your gift marked "CAMP DEFICIT". This will be the last month we try to cover the deficit since we MUST start setting aside funds for the 2009 Camps and MK programs

After a successful Ladies Retreat at Sand Mountain, the camp is quite. Our next event will be Winter Camp beginning on December 29. If you are interested in using the camp for a private retreat this fall, give us a call. **SPECIAL PRAYER REQUEST:** at present, the monthly support for the camp falls below our monthly operating budget – so we are forced to tap into the funds that we would use for maintenance, etc. Please pray that the Lord would add to the camp's support. If you are interested in more information, give me a call.

Thank you again for praying and giving!

In HIS service,

Bro. Duane Moore, Director
Preachin' Time Ministries

These are some special needs for equipment – perhaps you know someone who has some of these items and would like to donate them to the work of the LORD.

- Dual Axle 16' enclosed trailer for hauling Revival Tent, Chairs and equipment. Would consider a box truck.
- 12-18 foot, grated open utility trailer, dual axle with ramp
- Large Solid wood gates with Large hinges or gate hardware for our trailer fence to protect our trailers
- The camp has a need for some kitchen and bathroom cabinets for our caretaker house. Contact us for more information.
- The camp needs glass door refrigerated display cases for the canteen (like a convenience store). Ours died this summer.
