Dear Friends and Supporters:

Paul writes to the church at Phillipi to say "I thank my God upon every remembrance of you". This is an excellent expression of the way that all of us here at PTM feel about each of you. We are grateful to each church and individual that partners with our PTM TEAM to accomplish the work that God has given us to do. More importantly we want to offer thanksgiving and praise to our LORD for bring you into our lives.

We trust that each of you will enjoy a wonderful Thanksgiving with your family and friends as you reflect upon the goodness of God in our lives.

Thank you again for praying and giving!

In HIS service,

*Bro. Duane Moore, Director
