

Final Receipts for 2008

Dear Friends and Supporters:

The packages are all opened. The batteries have finally died. The trees have been taken down and put away along with all of the other decorations. The clock has struck midnight and a now 2009 is upon us!

The office has completed the receipts for 2008. Should you have any questions about your receipts, please call the office at 770-530-7957 or email [mooreduane@earthlink.net](mailto:mooreduane@earthlink.net).

All of us here at PTM are gearing up for an exciting 2009. I am certain that 2009 will be filled with many challenges – the suffering economy, world chaos, and increasing evil. Ministries everywhere are struggling financially – the work is great, the need is great and resources seem to be dwindling. In the midst of all of this, there is great opportunity! Opportunity to win Souls to Christ, venture where we've not gone before and tell those who have never heard!

I trust that you'll stand with us here at PTM in 2009 as we continue to press forward for the cause of CHRIST!

Thank you for your faithful support and prayers for PTM!

Sincerely,

Bro. Duane Moore, Director
