September 2008

Dear Friends and Supporters:

It doesn't take long as Autumn arrives for the nights and days to become chilled on the mountain. The evidence of the summer drought is still seen in our grass and some of our trees although the lake has risen some. The flowers and blooming shrubs are quickly becoming a memory as well.

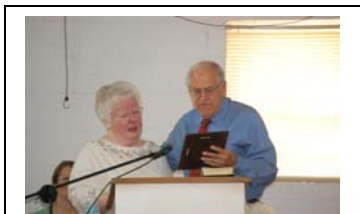

September was the month for our annual ladies retreat. Our attendance was down considerably this year, hampered by several factors. High gas prices clearly affected our attendance along with other area events that fell on the same weekend. This was Mrs. Linda Hick's last year of moderating after 12 great years here at Sand Mountain. She spoke last this year and the camp presented her a plaque and gift basket in appreciation for her service. I'm including some pictures below. Mrs. Linda ask to be relieved of the moderator duties because of her personal health – please keep her in your prayers.

For the moment, I have halted all improvement work at the camp and put the camp on a strict 'required maintenance only' policy for financial reasons. We are still in need of additional bathroom and kitchen work in the caretaker house that really needs to be done before the heart of winter if possible. I have Brown's Pool Company coming out this week (Oct 8) to take the final measurements for the pool liner. I anticipate the cost of the liner and chemicals we need to exceed \$4500 not to mention the cost of filling the pool. ***WE REALLY NEED SOME FINANCIAL ASSISTANCE WITH THIS – CAN YOU HELP? It must be done before Winter.***

The camp is available this fall for retreats and other private activities. Please give us a call. **WINTER CAMP MATERIALS are enclosed – you may also download them at [www.preachintime.com](http://www.preachintime.com) . The dates are Dec 29-Jan 02.**

Serving Because of Him,

Bro. Duane Moore, Director

Bro. Trask gives Mrs. Linda Hicks a Plaque Remembering 12 years of service to SMBC Ladies Retreats

Ladies Day Session

Mrs. Melissa Moore co-moderating the meetings. Your future Ladies Day hostess.

**Camp Needs:** Our Single Glass Door Drink cooler has died in the Canteen – we are in need of a replacement. We need a two piece standard tub assembly for the care taker house. Kitchen and Bathroom Cabinets for the caretaker house. New Refrig for the Care taker house. New Interior Doors for Care taker house. Call for more information or if you can help with these needs.

Sand Mountain Bible Camp is owned by Sand Mountain Baptist Ministries, a Federal 501(3)C Non-Profit Organization. The camp is operated by PREACHIN' TIME MINISTRIES.
