Dear Fellow Laborers,

I am writing this letter to enlist your help for a dear friend of mine and many of yours as well. As many of you know, Bro. Duane Moore has been battling a severe case of pneumonia since the first week of July. After trying to fight the pneumonia for a week at home, the situation worsened forcing Bro. Duane to the hospital for eleven days. After eleven days in the hospital, surgery to clean out the lung pocket of a great deal of fluid and infections, and possibly a mild heart attack to top it off (due to the severe stress put on the heart from the pneumonia), Bro. Duane is home for four to six weeks for recovery. After taking five weeks off from his revival schedule for camp season, he has had to cancel all of his meetings for August along with missing the last three weeks of July due to his sickness. This time away from preaching has created a great financial need due to the loss of almost three months of love offerings. **THIS IS WHERE WE CAN HELP.** Even though Bro. Duane would never ask for a personal need, the Lord has impressed me to ask on Bro. Duane's behalf.

Bro. Duane has given his life to the ministry, and he has been a great blessing to many of you personally as well as to your church family. We have a great opportunity to show our appreciation and love to Bro. Duane, Mrs. Melissa, and Will by showing our love and support for their family and their ministry during this time of great need.

I would like to ask each of you and your church family to consider a special financial gift for Bro Moore. I would also like to thank those who have already given toward this need. Bro. Duane greatly appreciates the expressions of love and support already received.

I have included some thoughts from some other good friends of Bro. Duane. Thanks in advance for your love and support for Bro. Duane and his family.

In His Service,

Bro. Mark
